Amendment of Section 73.202(b))  
Table of FM Allotments )  
Dunsmuir, California )

RECEIVED

TO: The Chief, Mass Media Bureau  
The Chief, Allocations Branch

PETITION FOR RULEMAKING

Comes now, Fatima Response, Inc., permittee of radio station KRKD - FM, Dunsmuir, California, IN PRO PER, and respectfully requests that the Commission institute rulemaking proceedings for the amendment of Section 73.202(b) of the Commission's Rules to amend the FM Table of Allotments as follows:

| <u>CITY</u>          | <u>EXISTING</u> | <u>PROPOSED</u> |
|----------------------|-----------------|-----------------|
| Dunsmuir, California | 261 A           | 261 C-3         |

In support whereof, the following is shown:

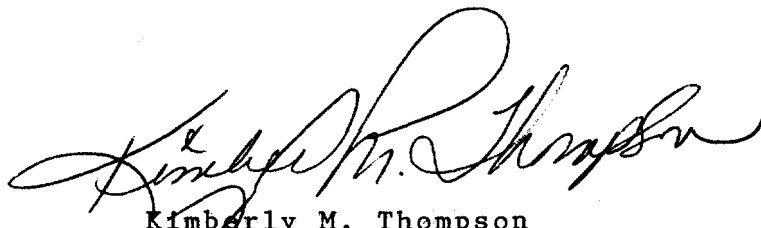

1. Fatima Response, Inc., permittee of radio station KRKD-FM, Dunsmuir, California seeks to upgrade on channel to provide better service to the community and the area. "Fatima" requests the upgrade of the outstanding construction permit under current Commission Rules and Policy as outlined in Docket 85-313 and Docket 86-114. "Fatima" requests the upgrading of the present channel of 261 A to 261 C-3. The instant petition request would provide the community of Dunsmuir with better local and regional FM service. This request is clearly in the spirit of being in the public's benefit as well as that of the petitioner.

1        2.    "Fatima" requests upgrading of the present construction  
2 permit at Dunsmuir and submits as proof, for the allocation of FM  
3 channel 261 C-3 in lieu of channel 261 A, a FM channel study from  
4 the licensed transmitter site of radio station KRKD-FM. This  
5 Exhibit as attached to the petition as required, proves that the  
6 requested channel allocation can be made at the present site of  
7 KRKD-FM. The petitioner has already requested and recieved the  
8 approval of the F.A.A. to build a taller tower of 250 feet,  
9 so that "Fatima" can apply for the FULL class C-3 power and FULL  
10 MAXIMUM HAAT at the present transmitter site as listed in the  
11 construction permit of station KRKD.

12        3.    If granted the request for a new allotment, "Fatima" will  
13 promptly file a new construction permit request with the Commission  
14 for use of the channel. Fatima request that the Commission modify  
15 the outstanding permit for the new channel for use by Fatima at  
16 Dunsmuir, California.

17                                  Respectfully requested,
